### **DETAILED ACTION**

1. Claims 1-20 are allowed.

### **REASONS FOR ALLOWANCE**

2. The following is an examiner's statement of reasons for allowance:

The prior art of record fails to teach the following limitation: 'receiving information from a primary distributor, the information being tracked using a tracking identifier on a storage medium, the tracking identifier being stored in a database'; 'the second level distributor being successively enlisted from the primary distributor'; and 'providing credit to the primary distributor in response to a transaction derived from the second distributor' as recited in independent claim 1 and similarly recited in independent claims 5, 10, and 15.

The remaining claims 2-4, 6-9, 11-13, and 16-20 comprise dependent claims, thus these claims are patently distinct over the art of record for at least the above reasons.

The examiner agrees with the applicants' remarks, filed on June 14, 2004, page 12 lines 12-24, and page 13 lines 1-21.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
